United States District Judge

Re: Supernus Pharmaceuticals, Inc. v. Actavis Inc., et al.
Civil Action Nos. 13-4740 & 14-1981 (RMB)(JS)

Dear Judge Bumb:

This firm, together with Frommer Lawrence & Haug LLP, represents Plaintiff Supernus Pharmaceuticals, Inc. ("Supernus") in the above-captioned matters. We write regarding the January 22 date that Your Honor asked the parties to hold on their calendars on the last day of trial in the event Your Honor decided to have closing arguments.¹ The parties filed opening post-trial briefs and proposed findings on December 22, and will file responsive papers on the morning of January 19. Supernus's counsel is scheduled to appear before Judge Middlebrooks in the Southern District of Florida for a pretrial conference on January 20 for a trial commencing January 25. While Supernus does not believe that closing arguments are necessary unless the Court has any questions, we are writing now so that we can make necessary arrangements should the Court require our attendance on January 22.

Thank you for Your Honor's kind attention to this matter.

Respectfully yours,

William C. Baton

inconvenienced the parties.*
